Part of the [Special Education and Teaching Commons](#)

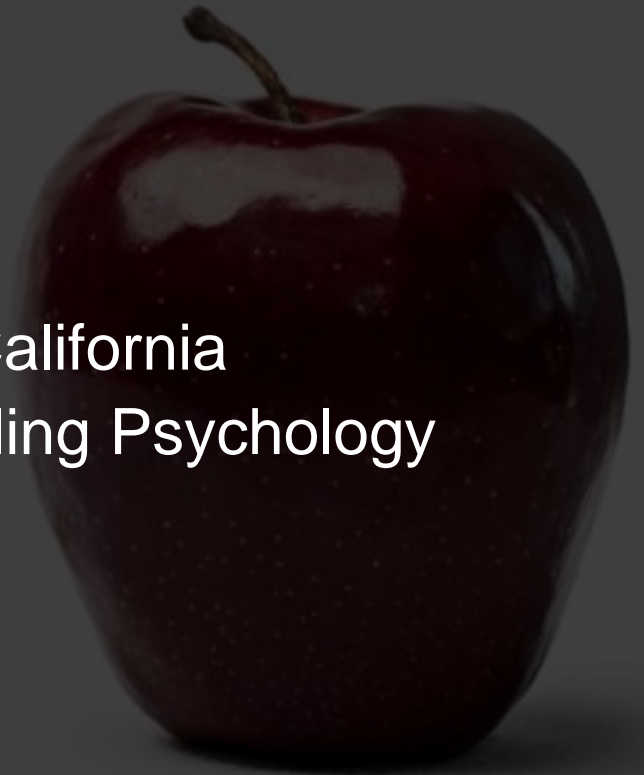

Potovsky, Elena, "From ADHD to Substance Abuse; Perspectives from Recovering Addicts" (2015). *Scholarly & Creative Works Conference 2017*. 6.

<http://scholar.dominican.edu/scw/scw2015/Guz302/6>

This Event is brought to you for free and open access by the The Dominican Experience at Dominican Scholar. It has been accepted for inclusion in Scholarly & Creative Works Conference 2017 by an authorized administrator of Dominican Scholar. For more information, please contact michael.pujals@dominican.edu.

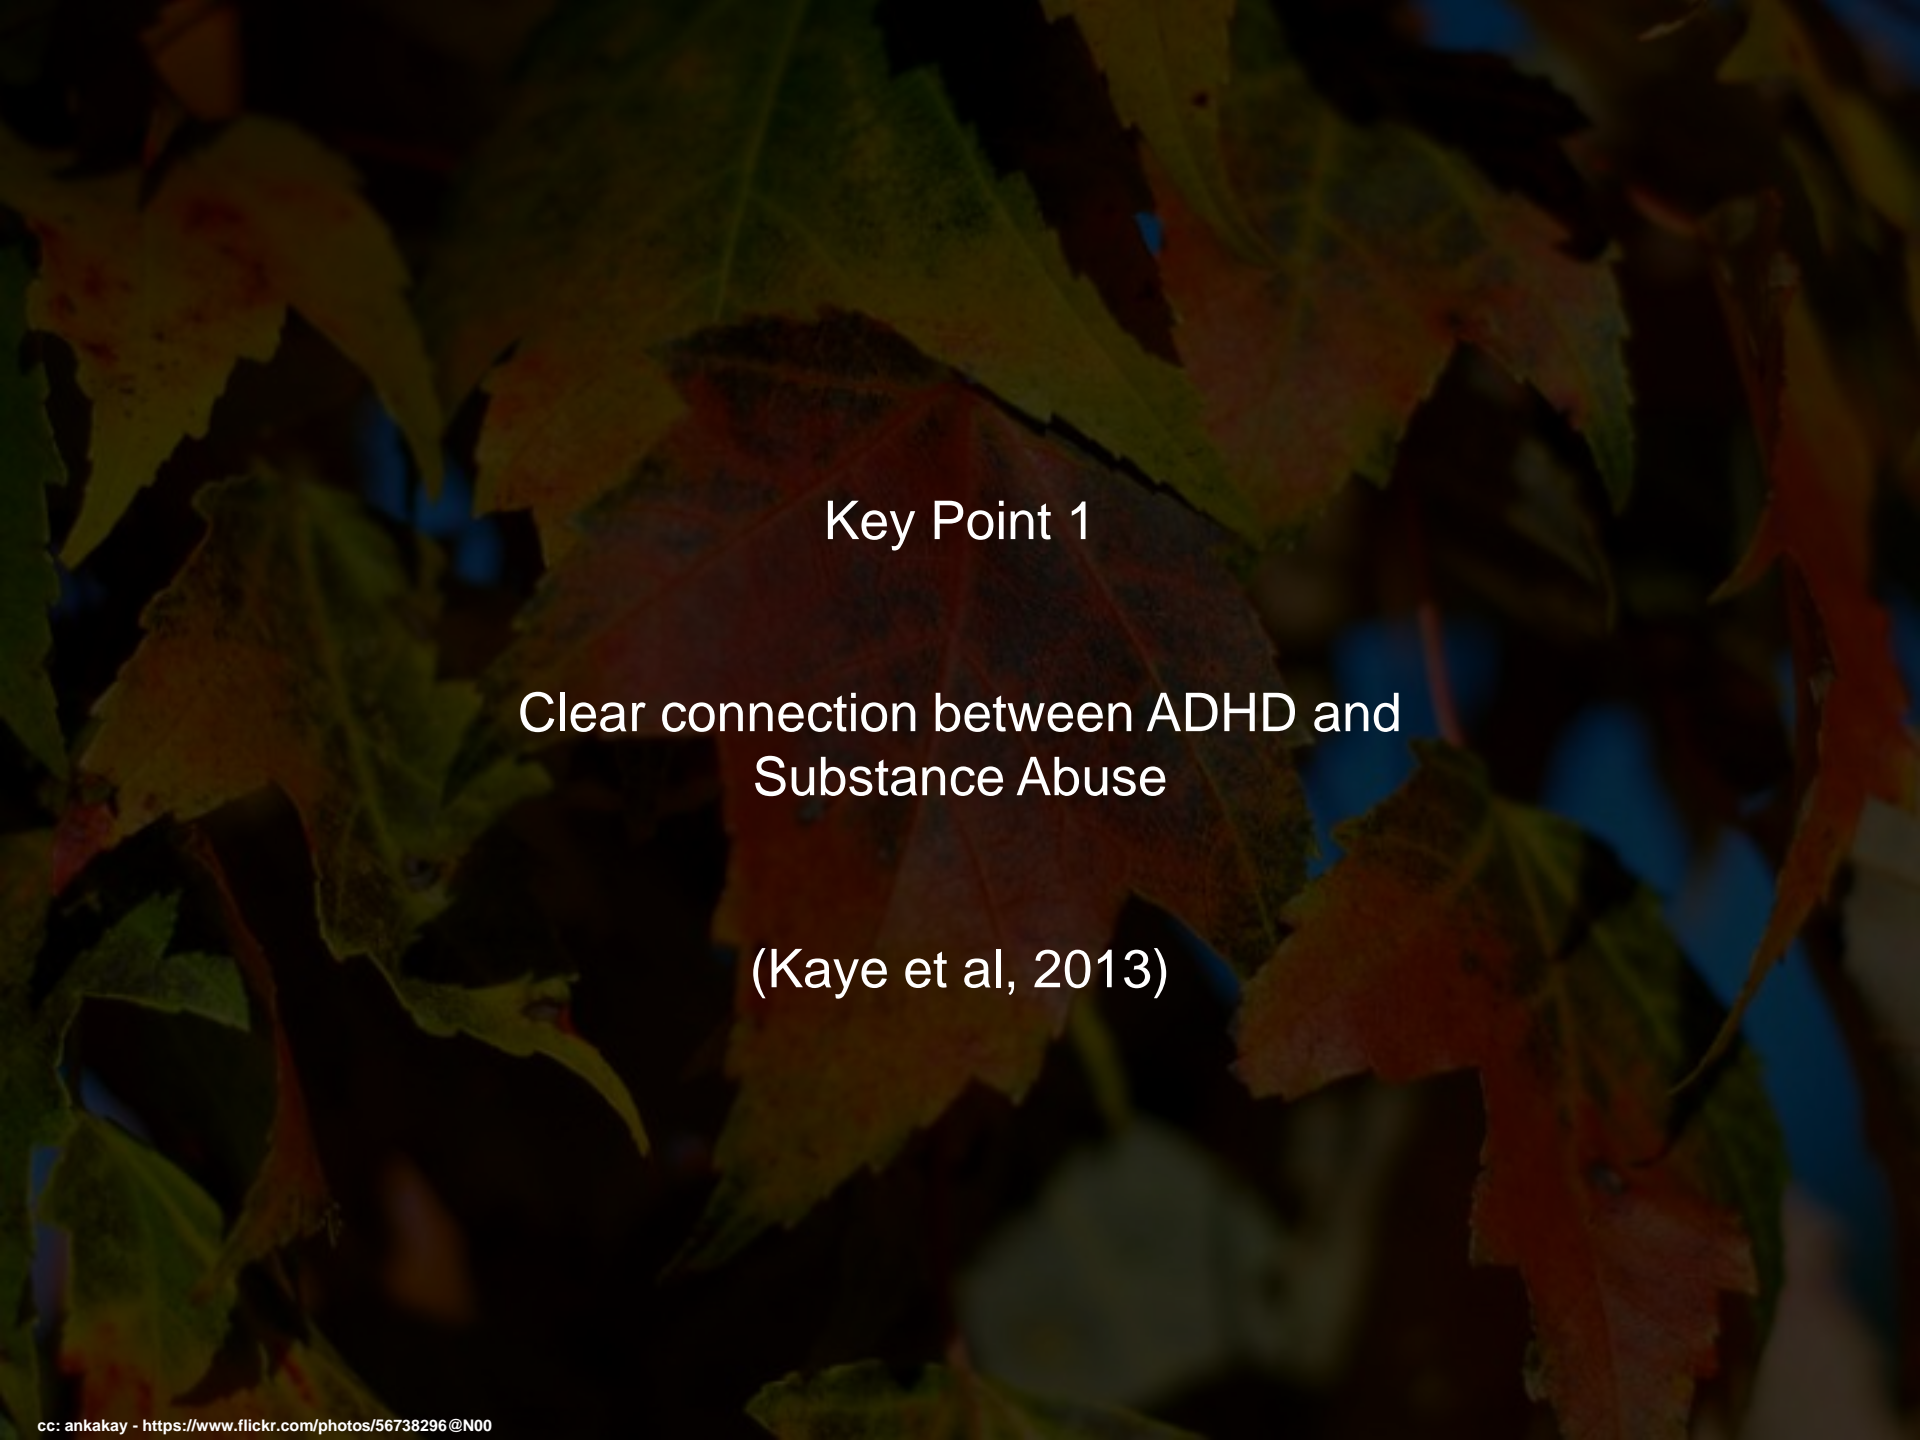

From ADHD to Substance Abuse; Perspectives from Recovering Addicts

Elena Potovsky
Dominican University of California
School of Education and Counseling Psychology
April 23, 2015

Three Key Points from Research

- 1) Clear connection between ADHD and Substance Abuse
- 2) Problems across many life domains
- 3) Early intervention is needed

Key Point 1

Clear connection between ADHD and
Substance Abuse

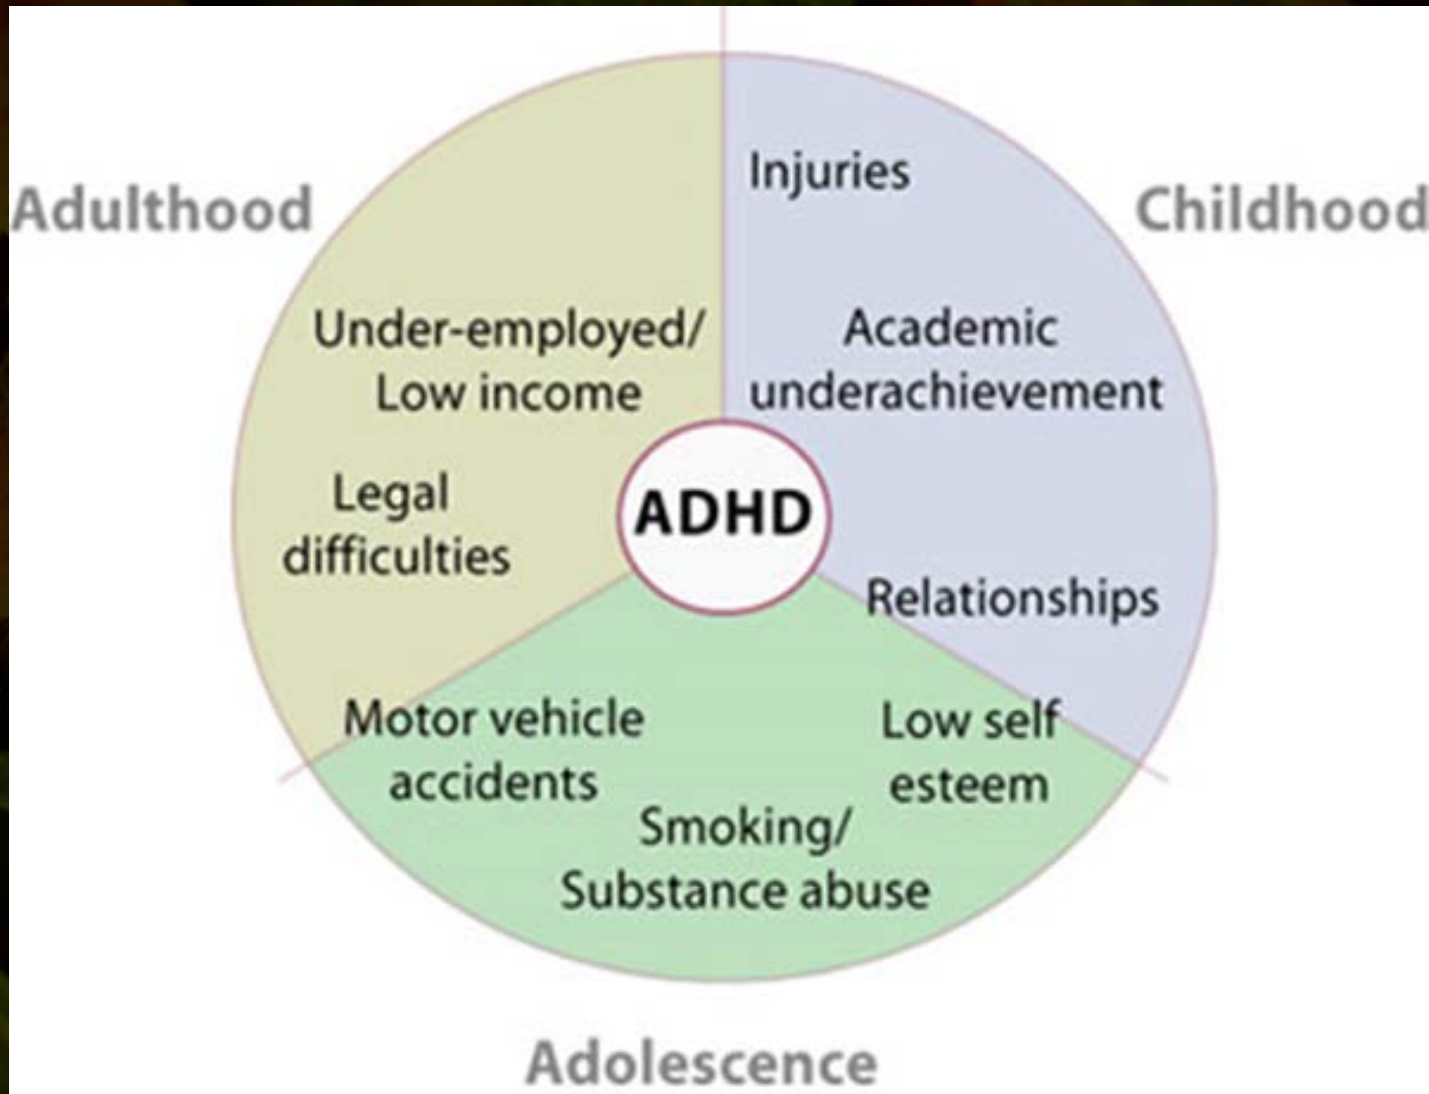

(Kaye et al, 2013)

Key Point 2

Problems across many life domains

(Huntley et al 2012)

Key Point 3

Early intervention is needed

(Davids et al, 2005)
