# About My Ways

Mark Milton

Moving about my ways

Finding problems, new goals, and even battles,

But finding a way for success!

Feelings change constantly like hours of the day.

Love, happiness, and that person of your dreams

Could all be meaningless as time proceeds

What you might have felt for that person on that very day

Could all be gone and passed away.

Having the realization that your feelings told a lie

Such deception and what's worse is that those feelings are mine.
