Can I Get a Better Currency Exchange Rate?

Liang Somers

Fighting for what is right is as easy as fighting against what is wrong

There is no winner

Fighting for what you believe in is like fighting against someone's opinion

There is only anger

Fighting for what will be a peaceful future is fighting against ending a war

There is missing understanding

There are too many coins floating around

Ones that have endless flip sides to them

Others have the same image on both sides

Some are multicolored wonders

Many are damaged with holes and nicks

And more are too old to still be in use

Yet everyone uses them as long as they have the advantage

That's the type of world we live in
