

A Bit Odd

Alison Erves

Poppin'
Crackin' bottles
Collapsing weights
And spaghetti all over Emma's face
"IT'S LINGUINI!!"
Fists and an added touch to the wall
Thank you Mama Catz for calming us down
Stress cleaning and bracelets torn apart
The one bathroom
Crunch Crunch Crunch
Feet meet peanuts and so do our mouths
Can I turn this in late? Sorry I just...
"People bring us their bodies..."
Are those real cigarettes? What do you think this is...?
WinCo runs and almost getting run over
"EN BOCA LUPO!"
"CREPE LUPO!!"
Forever in my heart
Thanks Ed

Makes Sense to ME
