# America 2016

By Veronika Cuddy

Here we are 2016

*We've come so far*

Progress for Woman

Progress for Man

Progress for LGBT

Progress for All

We're on the right track

Things have changed!

**Wait**

It all reverses

Back to Ginsberg's- conformist America

Back to MLK's- divided America

Back to WWI- fighting America

*Beginning Donald Trump's: America*

*How can he succeed?*

Building a wall is the solution

Waterboarding is the solution

Isolationism is the solution

How can *he* succeed?

America

What have you become?

understand

I try to

comprehend

to

cannot

I truly

The loss of our progress becomes so clear

The loss of our **humanity** becomes so clear

You have let a man gain power with ideals of torture, hate, and division

Why

I don't want to watch the news! I don't want to see anymore!

I am not alone, I know others see

I am talking to us all America

Wake up, Wake up, Wake up

Have you conflicted a Trump Trance?

We need silent meditation, escape the violence around the globe

Come together as one nation

*Restore*

A **United** States of America
