Dominican Stages "Relay for Life" Walkathon

The event began on April 12 with 11 teams and 78 participants registered for opening ceremonies followed by a survivors' lap, which paid tribute to cancer survivors. There was a wheelbarrow race at noon followed by a limbo contest.

Teams walked around the perimeter of the basketball court, while activities took place in the middle of the court. Planned activities included a Zumba class, live music, improv dance, karaoke, movies and even musical chairs. Faculty and students from [Dominican's Department of Nursing](#) were on hand to demonstrate and assist. Food was served throughout the event. There was a luminaria candle-lighting ceremony on April 12 at 7 p.m. The closing ceremony was at 10:30 a.m. on April 13.
